2. I will complete the required mentoring hours to help grow the Robotics programs in PISD, help the team with demonstrations to engage with the community, document them through [TIGERS](#), promote Pearadox's mission, and help with team fundraising efforts.
3. I will foster an inclusive and supportive team culture at all times.
4. I will treat Pearadox's mentors, volunteers, and students with courtesy and respect as well as support them in their efforts to manage the team at all times. I will bring a positive attitude to team meetings
5. I will not let my schoolwork suffer due to team activities.
6. I will ensure that mentors know where I am when under their supervision and will abide by curfew and other rules when traveling with the team.
7. I will represent my team, my school, and my teammates with dignity and respect, and will always conduct myself in the spirit of Gracious Professionalism. This includes online interactions as well (such as discord, chief delphi, reddit, slack, etc)

9. I agree to exhibit safe behavior at meetings and events and will notify a mentor if I am aware of anything or anyone that is unsafe, inappropriate, or questionable.
